Happenings Along The Trail

Dear Friends,

"Many, O LORD my God, are thy wonderful works which thou hast done, and thy thoughts which are to us-ward: they cannot be reckoned up in order unto thee: if I would declare and speak of them, they are more than can be numbered." Psalm 40:5

Greetings from the trail left behind by the Waggoner's Covered Wagon (our home on wheels). God has allowed us to be a part of His great work and this wonderful ministry He has called us to.

Our journey since the beginning of the year has been busy and filled with God's great blessings. I wish I had time to tell you everything that has happened and every decision that has been made, but I will just have to cover a few highlights. We have had the privilege to be in the services of Churches in New Mexico, Arizona, Texas, Colorado and Kansas. We were honored to preach and sing of the wonderful love of God for the lost and for the saved.

We have seen decisions of commitment, service and even some who have trusted the Lord as their Savior. God has given us open doors to sing in Retirement Centers and Assisted Living Centers sharing God's love for them. The responses have been amazing and only God knows of any decisions they may have made about eternity.

There was great encouragement for us at the Annual Dennis Brown Home Mission Conference from the messages preached and the testimonies of numerous Church Planters. How amazing to watch God take care of the needs of many of those families serving Him in the trenches of the world while sharing Jesus with their communities. We also were thrilled to see many friends and fellowship about God's greatness.

One of the humorous things we heard while there is related in this story from Sandy: *Last May we were with the Albachs in Pagosa Springs, Colorado. We had a great time and love them and their kids. At the Home Missions Conference we got a peek at their feelings about us. For several months after the sale of their home, the Albachs lived in a fifth wheel by their church located beside highway 160. They get a lot of hitchhikers and walk-about. The Albachs do not turn a blind eye to anyone, so they have helped many of the road travelers out. After taking one especially vivid hitchhiker to the store for groceries their son, Sean asked who these people were. His daddy explained they were called transients. They chose traveling about America in the cheapest way possible. Sean was so excited. Like Bro. Greg Waggoner. Sean wanted to be just like Bro. Greg...a transient with a guitar! So...as for being a transient evangelist we are doing well. As a transient God has blessed us*

with friends we have worked with. God has smiled on our ministry with wonderful things such as a red headed 14 year old being saved in Lake Havasu and an eight year old Hudson asking Jesus to take care of his sins, his sister's sins and his mama's.

32 years ago we left Temple Baptist Church in Eldorado, KS and headed to Denton, TX. This past week Sandy and I were honored to back at TBC for their Revival Meeting. What a great week God gave us seeing some of those who were in our Youth Group who now serve as Adults in this great church. We also got to fellowship with some of those who were so involved in helping us grow in the ministry. We also made some new friends and the services were great! Heaven is going to wonderful!

Sandy & I look forward to the trail ahead and the blessings God holds for us. We have a full schedule and are humbled that God would use us to serve Him! We will be in Topeka, Wichita and Altoona, Kansas through the rest of this month and then we journey to Jerico, MO, Ft. Madison, IA, Galesburg, IL, Wichita, Ks (Native American Conference), Beavercreek, OH and Landis, NC. If you are in the area, check our calendar and join us. Keep praying and serving.

His servants,

Greg & Sandy
