Dear Friends,

In honor of Pastor Appreciation we would share these verses:

Psalms 77:19 "Thy way is in the sea, and thy path in the great waters, and thy footsteps are not known."

Psalms 107:23-24 "They that go down to the sea in ships, that do business in great waters; These see the works of the LORD, and his wonders in the deep."

Man has studied outer space and stepped foot on the moon, yet there are places in great waters never touched by mortal being. That is God's path. God, himself, invites us to take His hand, join Him, follow Him.

Some of God's people never take that plunge, but those who do will never regret the sights, scenes and experiences God will lead them through. As we have traveled across America, we have been blessed to know Pastor after Pastor that have grabbed the hand of the Lord, stepped off dry ground and are on this path through great waters.

Our prayers are with all of God's pastors and the flock who follow their leadership. What a privilege God has given us to know you. Our path through these waters has been treasured with souls saved and lives changed. It is not because of us, but rather God has allowed us to be in on the harvest of the work you have already done.

Each true servant of God leaves behind a legacy that brings honor to the Lord. This month, we had the privilege to remember the life and ministry of a man of God, Loyd Gross. I was saved and called to preach under his ministry in Valley Center, KS, was a co-servant on staff in Garden City, KS and have been honored with his friendship for 45 years. Bro. Gross was one of those pastors who impacted multitudes of souls by preaching and teaching the whole counsel of the word of God. He is now enjoying the presence of the Lord face to face.

In the days ahead, until the Lord takes us home, keep serving and reaching people for Jesus. We look forward to the deep waters ahead as well as the blessings God has in store for us and you.

His servants,
Greg & Sandy
