Dear Praying Friends,

Greetings from our "Covered Wagon" and the Trail of Blessings! I was reading this morning in Psalms 78 and as I journeyed through the wanderings of God's people I stopped and pondered for a bit on His daily provision (manna). Everyday He provided manna in the camp and it took care of their need. What a wonderful picture of our Saviour! He is the living Bread and His promise is still the same - life in Him! God's promise to provide for our daily needs is still active! Hallelujah!

God has blessed our meetings this past couple of months. We rejoice with the angels in Heaven over the souls that have been saved. It was exciting to meet a freckle faced 9 year old boy at the Revival Meeting in Jerico Springs, MO and watch as God worked on his heart to bring him to Jesus on Sunday morning! God blessed with a woman receiving Jesus as Saviour following the Concert at Grace & Truth Baptist Church in Pleasant Hill, MO. We received word from Pastor Marty Bush in Yates Center, KS that after our Concert on the Town Square and Sunday night service that God blessed with visitors and one young man getting saved! Sandy & I have continued to witness the hand of God touching lives with the music, readings and preaching. We rejoice that God called us into this ministry.

We would like to Thank each of you for your support of our ministry and the honor you have given us to serve the Lord with you. You have been a blessing to us and we appreciate your friendship. We look forward to the Trail ahead of us and the blessings/lessons God has in store for us.

Continue to pray for our health (it is good), for our truck (Thom in the Flesh) and God's continued provision for our needs.

His servants,
Greg & Sandy
