Dear friends,

“Trust in the LORD with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths.” Proverbs 3:5,6

We are currently in Pinehurst, Idaho. We have covered many miles since our last Prayer Letter. We have enjoyed serving the Lord with the churches we have been with in Idaho, Oregon, Washington and Montana. Our time in the Pacific Northwest is passing quickly.

God has blessed with sweet fellowship, wonderful services and exciting decisions. We have also hurt with Pastors who are going through trials and hurts in their lives/ministry. Just as God is moving and blessing, the devil is causing havoc and hurt. But..... ***“Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world.” I John 4:4***

I would encourage you to take time to read Sandy’s “mini novel” on page 2 about our exciting but God blessed adventure. We watched things unfold that revealed God’s hand was definitely evident and in control.

The Papa side of my heart was warmed when we saw a Mom and kids in a coffee shop downtown. As we prepared to leave, the youngest girl (a toddler) came to me with her arms outstretched saying “Hug! Hug!” Memories of Grandkids flooded my heart.

The opportunities to witness to people whom God put in our path; the blessing to listen to the prayers of repentance of those who trusted Christ as their Saviour; the response of folks to the preaching of God’s word and the messages of songs as well as the impact of Sandy’s Readings have been earthly rewards for serving God. We appreciate your prayers and support for our ministry more than we can express.

Thank you for your faithful prayer support!

What a Day!

“And the first day of unleavened bread, when they killed the passover, his disciples said unto him, Where wilt thou that we go and prepare that thou mayest eat the passover. And he sendeth forth two of his disciples, and saith unto them, Go ye into the city, and there shall meet you a man bearing a pitcher of water: follow him. And wheresoever he shall go in, say ye to the goodman of the house, The Master saith, Where is the guestchamber, where I shall eat the passover with my disciples? And he will shew you a large upper room furnished and prepared: there make ready for us. And his disciples went forth, and came into the city, and found as he had said unto them: and they made ready the passover.” Mark 14: 12-16

That is New Testament G.P.S.! I think it is confusing! However, God’s G.P.S. comes with special effects. We don’t always see the angel wings and feathers. Sometimes it could be a postal emblem and a smile.

Tuesday, August 18th, our two-and-a-half-hour trip to Spokane, Washington grew into a 12-hour trip. I think God’s G.P.S. sounded something like this: “Son, today the truck I gave you will lose its power outside of Chewelah. Pull to the side of the road, lift the hood, and listen. To discover the alien noise coming from the motor, call your trusted mechanic in Amarillo. Together, you will decide you may need a new motor. Amarillo is too far away, and you will need an unknown mechanic. A postal vehicle will swing from the other side of the road and pull to a stop in front of your truck. He will give you the name of a good mechanic in Chewelah whose shop is named “God-Fearin’ Brothers.” Son, call that number. He will not have a diesel mechanic on staff, but he will give you the name and number of a country mechanic who is a whiz. Call that mechanic. Then you will need to call your towing assistance company. Your company will refuse to tow your F450 because they consider it a commercial vehicle. Yes, they let you pay your premiums without that information, but they will not tow the truck I gave you. They will tow your camper to the nearest resort park, and it will cost you \$72.00 a day to stay there, but that is not their problem, and, they will not tow it further than the nearest park...unless they charge. That charge will be \$740.00. Son, tell that company, “No, my God will take care of us.” Then hang up the phone. Now a van will pull up in front of your open-hooded F450. A man will step out and come to your aid. His name is Tim Dyer, and he knows a man who tows trucks! AND, Tim has a F350 King Ranch with a hitch, and he would be glad to go home and get it to tow your truck to Spokane! Now, Son, do not be discouraged. Tim’s truck will die on the road before you reach your destination. Tim’s wife, Jenny, will get her car and come to your rescue. Then Tim will leave your wife at home with his wife and take you to his friend’s so he can borrow his truck. His friend’s truck will be low on diesel. In fact, it will show six miles until empty, and the closest station is ten miles away. Tim will tell you not to worry because he has angels with him, but you and I both know it is me who is with you. You will make it to the station! Now, Son, this is the time I have given you to talk to Tim about me. He needs to know what salvation is. Your wife has been given this special moment in time to share the Lord with his wife, Jenny. This is your mission today. Thank you, Son, for being my ambassador.
